SHADRACK MWENDWA

Graphic Designer Branding • Print • Digital

Design

About Me

I am a creative graphic designer focused on delivering visually engaging and effective design solutions for branding, marketing, and digital content. I specialize in designing high-quality graphics using Canva and PosterMyWall, complemented by hands-on experience with Adobe design tools for more advanced visual work. I approach each project with strong attention to detail, brand consistency, and functionality, ensuring every design communicates clearly and professionally. Driven by a passion for visual storytelling and continuous growth, I strive to create designs that add value and leave a lasting impression.
